MEMORANDUM FOR: Chief, EE Division

SUBJECT : Legal Adviser to the Senior Representative,
25X1A [REDACTED]

1. With reference to our discussion with [REDACTED] and [REDACTED] on 12 June 1953, we have talked with [REDACTED] of our staff in regard to his taking [REDACTED] position on a temporary-duty basis while [REDACTED] is being trained here, or on a permanent basis if [REDACTED] is not to return to [REDACTED] 25X1A

2. [REDACTED] is quite agreeable to this proposal in either form, and, in my opinion, he would be an excellent person for this position. He has asked me to bring to your attention a personal problem which, if solved, would greatly facilitate this matter. For very pressing personal reasons, [REDACTED] would find it extremely difficult to leave during the summer, but he agrees that a considerable period of overlap with [REDACTED] is essential. It is our present understanding that [REDACTED] plans to come home about 1 October. If [REDACTED] is willing to delay his return until early December, [REDACTED] could wind up his affairs and arrive in [REDACTED] not later than 1 October, which would give a good two months for [REDACTED] to break him in to the [REDACTED] Mission's problems. 25X1A

3. If you have no objection, would you be good enough to sound out [REDACTED] on this point. I understand you are already inquiring as to his present intentions about returning to [REDACTED] after home leave. In any case, we are beginning to work with [REDACTED] on whatever additional training, including language training, might be useful for the work in [REDACTED] 25X1A
